

Its Here! Your lifestyle block of over 3,000 m2

When viewing this fine Brick & Tile home for the !st time, 2nd time or perhaps even a 3rd time, it is mindful to cast your thoughts back to an era when this home was originally designed and built.

For here was a home that reflected all that was modern in its day. One that undoubtedly screamed out success, allowing the occupiers to be surrounded & spoiled in all that was new.

To own a home of this caliber at that time, "You really knew you had made it".

Its funny, number 77 maybe seen as a little dated today (some may say retro) but there is no denying that "air of quality" that surrounds this fine property, still very much exists.

So we reach out to you today to work with this blank canvas, To invigorate, To renovate, To create for you and yours that desirable abode you so deserve.

When you enter the front door of 77 and stand in its vestibule, with its high ceilings, there is such a genuine sense of space here.

A split level design cleverly separates the abundant living and dining areas from the bedrooms.

An upper level air-conditioned bedroom space, has 3 bedrooms all with built-ins
